**Re: NCI 13-079 FOIA Case No. 41293**

Dear Mr. Morisy:

This is regarding your Freedom of Information Act (FOIA) request dated May 6, 2013, which you submitted via e-mail to NIH FOIA. You requested a copy of "all responses sent to Congressional committees between Jan. 1, 2008 and the date that this request is processed." After multiple unsuccessful attempts to reach you, we suspended the case as of May 10, 2013, pending a response from you regarding the scope of the request. Before we can begin processing your request, I need to speak with you regarding the scope of your FOIA request; however, you failed to provide a telephone number in your request. Therefore, please contact me at your earliest convenience to discuss your request.

I can be reached weekdays between 8:00 a.m. and 4:30 p.m. at 301-496-2999. If I do not receive word from you by June 17, 2013, I will assume you are no longer interested in the requested information and your request file will be closed.

Sincerely,
